Disclosure and discovery activity in this action is likely to involve production of a significant number of documents containing confidential Personal Identifying Information, defined here to include individual social security numbers, taxpayer-identification numbers, birth dates, the names of minors, and financial-account numbers. The confidential nature of this information warrants special protection from public disclosure, and the parties therefore stipulate

12 discovery is produced solely for purposes of prosecuting and/or defending this case only, and any
13 other use of Personal Identifying Information so produced is prohibited. The parties agree to
14 destroy material reflecting Personal Identifying Information produced by other parties at the
